

*Eugen Crihan*

**Apriorismul – de la absolutismul noetic la  
pluralismul pragmatic  
Apriorism – from neoetic absolutism to plural  
pragmatism**

**Abstract:**

The problem of aprioricity is perene. At a closer look, we see there are two themes derived from this theme: that of the place and role of the intelect in the knowledge activity, and that of knowledge independent from intuitive experience.
