**Legislația în domeniul drepturilor femeii după
1989**

**The law regarding the protection of woman
rights after 1989**

Abstract:

This paper proposes to present the main international and national law in the woman's rights area, who was adopted after 1999 starting with The Universal Declaration of Human Rights (12/10/1948) and ending with "Equal chances law between woman and man" since 04/19/2002.
